SENIORS

Class of 1950

We call our school "Old C.H.S."

You know what that stands for, I guess;
A school, that's served our cause so well
And which for gold we will not sell.

For many years we've called the roll
To see how many will reach the goal;
We 40 Seniors have rolled along
Our School Days have not been too long.

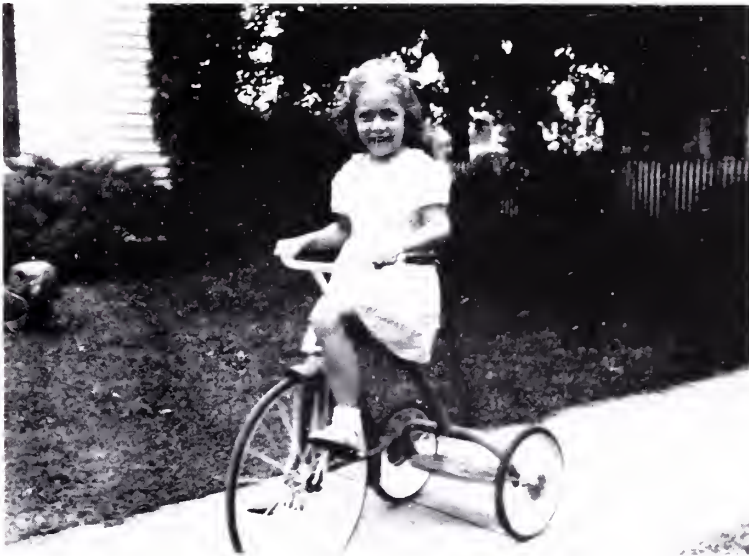

We've had some sorrows with our fun,
We've worked; some fought and bravely won
Things we loved best in school day youth
And always best beloved of truth.
Friendships each a very strong bond
Link the past with life beyond;
Loved memories are left behind,
Joys and Sorrows around us wind.

And now dear friends we've reached the end;
Our farewell greeting we extend
And say with hearts that sadly sigh--
Friends, Schoolmates, Teachers, a fond goodbye.
We hope, in higher school some day
You'll join with us on life's highway;
So remember when your grief is sore--
We Seniors are not lost--Just gone before.

- Betty Ann Brown

Class History

In September, 1946, four long years ago, ninety-six unfamiliar students entered the front door of Chilhowie High School. Why were these students entering high school? To learn the knowledge of wisdom which was to be secured in the following years. These students were unfamiliar with the way the high school system works because they had been accustomed to the one teacher method used in grammar school.

Mr. C.P. Price welcomed the large group of freshmen and wished us the best of luck in high school. Our class sponsors were Miss Elizabeth Love and Miss Emma Troxel. The first year of high school was very difficult for us because we had to learn the rules and laws by which we were to proceed in the next four years to come.

In September of 1947 when we returned to the halls of old C.H.S. we were starting into another year of hard school. Although we had lost several students there were still about 60 students that returned. We were under the leadership of Mrs. Carter Tyler and Mrs. Herbert Catron that year. Mr. C.P. Price was our principal, with Mr. D.L. Stanphill in the athletic department. We were honored to have a sophomore chosen as football queen. She was Bureda Little.

Our Junior Year was a little easier because we were getting familiar with the ways of high school. Our new Principal was Mr. G.E. Copenhaver who had taken the place of Mr. C.P. Price. Our class president was Betty Little and our sponosrs were Miss Helen Reeves and Miss Amanda Bowman. The highlight of the year was our Junior and Senior Banquet and Prom.

In September of 1949 there were 40 seniors who enrolled in the class. We elected as President Mary Virginia St. John and our sponsor was Mr. Galen Drewry. Our home room mothers, Mrs. M.M. Duncan and Mrs. Larry Brown, gave us a party and we all enjoyed it very much. The party was on December 27, 1949. Mr. G.W. Kiser is our coach this year.

We will always remember our stay at old C.H.S. as a pleasant and interesting one. In the years to come always remember our old Alma Mater and above all to be honest and fair in the game of life.

THE SYMBOL OF QUALITY

Nationally advertised and nationally known, the famed registered trademark of Burlington Mills represents quality textile products at moderate costs within the reach of average consumers.

Quality is an important part of Burlington's production, carefully guarded by a modern Quality Control Laboratory and numerous inspections during the various stages of manufacturing.

Cameo Stockings, a product of the Town House Hosiery Plant, are excellent examples of the fine textile products manufactured by Burlington Mills. Hosiery manufactured at Town House are sold and acclaimed all over the nation.
